

Caresse is the title of an animated fiction created by visual artist Elena Tóxica.

It is a short film which, through animated images and a narrative voice based on the original text created for the piece, evokes the thoughts and emotions of a lesbian relationship.

The music has been interpreted by a solo artist and it is inspired on the movie Contempt, by Godard.

Caresse, Madrid, Spain 2016.

A **Toxic Lesbian** production.
